

ENEL COLOMBIA S.A. E.S.P
RISK RATINGS
DECEMBER 22, 2025

Enel Colombia S.A. E.S.P. reports that, on December 22, 2025, Fitch Ratings downgraded its international risk rating from 'BBB' to 'BBB-' and changed its outlook from negative to stable.

This adjustment is mainly due to the downgrade of the sovereign rating of the Republic of Colombia, which went from 'BB+' to 'BB' with a stable outlook. (see attached).
