**EMGESA S.A. ESP.
FINES OR SANCTIONS LEVIED BY GOVERNMENT ENTITIES
22nd APRIL 2016**

Last April 18th, 2016, EMGESA S.A. ESP. was notified of Resolution 0381 2016 through which the National Environmental Licenses Authority -ANLA- imposed a \$2.503.258.650 fine, which considered that some obligations related to the activities of chipping, stacking and withdrawal of the wood and biomass in the area of the reservoir of the Hydroelectric Project El Quimbo had been breached.

Against this Resolution an informal appeal is available, which EMGESA will use, in accordance with the right that it is entitled to.

This appeal has to be lodged within 10 days of the notification. The presentation of the appeal suspends the effects of the resolution.
