EMGESA S.A. ESP
FINES OR SANCTIONS LEVIEND BY GOVERNMENT ENTITIES
13th MAY 2016

Emgesa S.A. E.S.P wishes to inform the market that last Monday 2nd of May presented the informal appeal, in accordance to the right it is entitled to, against the sanction levied to the Company by the National Environmental Licenses Authority – ANLA in Spanish- which considered that some obligations related to the activities of chipping, stacking and withdrawal of the wood ant the biomass in the area of the reservoir of the Hydroelectric Project El Quimbo had been breached. (Resolution No. 0381 of the 7th of April 2016).

The informal appeal filed by EMGESA against the Resolution, suspends the compliance of the levied obligation, until the appeal has been resolved. Once the company has an answer on this action, it shall notify the market.
