

"NEWS IN THE COMMUNICATION MEDIA FROM SECURITIES ISSUERS

EMGESA S.A. ESP

12 AUGUST 2020

Regarding the news published in the digital edition of the newspaper La Nación www.lanacion.com.co , entitled "Emgesa is condemned for environmental tragedy in Betania." Emgesa S.A. ESP (from now on "Company") reports that it was notified of the first instance ruling on July 29, 2020, issued by the Administrative Tribunal of Arauca in Decongestion, within the process of direct reparation that promoted the company COMEPEZ S.A. against the Company and others.

In the aforementioned ruling, the Court found Emgesa responsible for the economic impact of the and ordered him to pay the material damages suffered. However, these damages were not accredited in the process before which they must be regulated in the subsequent process.

As indicated in the article, the Administrative Court of Arauca radically changed its position with respect to other claims with similar facts and claims in which the Company did not condemned. As it is a first instance ruling it is not final and will be subject to appeal before the Council of State. The Company will also exercise all actions and procedural acts to protect their rights."
